SUMMARY

Highly responsible, quick learner, and efficient problem solver with over ten years of working independently and collaboratively in a fast-paced, demanding environment. Leveraging strong communication and listening skills, I'm able to accurately capture a team's concept in various visual forms, such as graphics, renderings, and edited photography and videos.

EXPERIENCE

GRAPHIC DESIGN SPECIALIST, COMMUNITY FIRST SOLUTIONS; HAMILTON, OH – 2022-2023 Designed marketing materials for print, digital, social media, and company-wide communications. Edited videos for social media posts. Coordinated photoshoots, sourced and edited photos as well as WordPress websites.

PHOTO EDITOR/DIGITAL RESTORATION, SONY MUSIC-BARBRA STREISAND; CINCINNATI, OH – 2020-2022 (Freelance) Restored, photo edited, manipulated and color-corrected images for Barbra Streisand's latest albums with credits. Collaborated with art director and Barbra to execute design of the covers as well as images in digipak and inserts. 2023 photo edited images for Barbra's book.

GRAPHIC DESIGNER/VIDEO PRODUCER, BRYNNIFIED CREATIONS; LOS ANGELES, CA – 2018-PRESENT Worked with clients to design marketing campaigns through completion. Photo manipulated and retouched photos to create posters, ads, and awkward family photos garnering over 21 million views. Wrote scripts for human interest stories. Edited videos to align with the scripts in Premiere & After Effects. Scheduled and organized posts for client's Instagram account.

LEAD GRAPHIC DESIGNER, FBE; BURBANK, CA – 2015-2018

Led and managed the graphic design team. Built out graphics and thumbnails for all videos across three "React" YouTube channels as well as in-episode graphics, including lower thirds, score cards, cutouts, and frames. Responsible for doing graphic requests for pitch decks, ads, and other platforms (Xumo, Roku, Snapchat). Effectively maintained multiple projects at once.

PHOTOSHOP ASSISTANT, THE ELLEN DEGENERES SHOW; BURBANK, CA – 2014-2015 Collaborated with the writers to create comical graphics for on-air use. Generated photographic content that garnered over 2.7 million impressions via show's social media channels. Worked closely with the props and wardrobe department to design graphics used on-air and on the set. Produced set design renderings used as stage buildout guides. Created celebrity guest gifts based on concepts provided by Human Interest, Talent, and Research departments.

GRAPHIC DESIGNER & ADMINISTRATIVE ASSISTANT, OAKVIEW DERMATOLOGY; ATHENS, OH – 2013-2014 Designed and created billboards, patient brochures, and branding materials. Maintained website updates, designed, and placed ads in print media and university sports venues. Coordinated photo shoots for website and promotional materials. Developed patient retention and promotional programs through social media, print, in-office specials, and appointment reminder system.
